ACTIVITY COMMITTEES

The board alone cannot keep the club alive - get involved and make the club truly yours! Besides one dinner committee, every member is expected to participate in at least one additional committee (volunteering for an extra dinner committee or being a dinner captain will count for this). We have several committees that will help the board serve the membership better and enable everybody to be an active member. Please, choose the committee(s) that best fit(s) your interests.
